

What's The Diff?

Primary Competency:

- CASEL: Social Awareness
- xSEL Labs: Social Perspective Taking

How *What's The Diff?* Impacts Students:

We will be able to...

- Identify and explore some of the commonalities we share with one another.
- Identify and explore some of the ways we are unique from one another.

In *What's the Diff*, we celebrate our differences and common experiences.

Skills:

- Diversity appreciation.
- Discovering differences.
- Respect for others.

How to facilitate *What's The Diff?* in your classroom:

- Load the video before students come into the class & check that the sound/volume is working.
- Students can participate next to their desks or at the front of the classroom.
- Follow along with your students! Reinforce these skills and model active participation.

ENGAGE STUDENTS FURTHER WITH NEXT-LEVEL PROMPTS:

Ask students to get into pairs. Have them think about something new they have tried recently. It might be a food, game or instrument. Take turns asking and answering:

- What did they like about it?
- What did they dislike about it?
- Were they surprised by their reaction?
